Upper Animas Long Term Remediation Outreach Plan v2.docx

Doug and Monica – we met yesterday as an EPA team and discussed some outreach ideas – we plan to discuss in detail next Friday but any preliminary reactions/comments would be appreciated. Have a good weekend.

For your review – I am also asking Cynthia to present to the GKM LT as a draft with the understanding that this has not been reviewed by CDPHE. It no doubt has gaps and missing items but a first step in capturing some of the ideas of yesterday.
